ATTENTION

Our Natural Right to Defend Ourselves, Our Loved Ones and Our Possessions IS UNDER GRAVE THREAT!

These proposed bills will turn many semi-automatic firearm owners into felons, impose arbitrary age limits to purchase firearms and turn our right of free assembly into a felony.

**Senate Bill 16**
Redefines the definition of so-called "assault firearms" and prohibits any person from importing, selling, transferring, manufacturing, purchasing, possessing, or transporting an assault firearm. A violation is a Class 6 felony.

**Senate Bill 18**
The bill requires a background check for any firearm transfer - thus establishing Universal Background Checks, clearing a path to future confiscation. Provides that a person must be at least 21 years old, or must be at least 18 years old by the effective date of the bill, to purchase a firearm. Provides that it is a Class 1 misdemeanor for any person knowingly to authorize a child under the age 18 to use a firearm except when the person is under the supervision of an adult.

**Senate Bill 64**
Provides that a person is guilty of unlawful paramilitary activity if such person assembles with another person with the intent of intimidating any person or group of persons by drilling, parading, or marching with any firearm is punishable as a Class 5 felony.
