

VCDL-PAC (a Virginia State PAC) is proud to announce our 2020 slate of endorsements for the General Election on November 3, 2020. Even in this Presidential election year, there are hundreds of local seats up for election in Virginia. VCDL-PAC has issued 61 endorsements to include candidates running for the House of Delegates (special election), City, County and Town races.

The anti-gunners won't ever take a break and we can't either. We encourage all VCDL members and 2A patriots to do what they can help our pro-2A candidates win. Please consider donating your time or money to the following 2020 VCDL-PAC endorsed candidates.

A candidate must complete the VCDL Candidate Survey in order to be considered for endorsement. In addition to their Survey response, VCDL-PAC factors in voting record (if any) and public statements (if any) the candidates make on this issue before issuing an endorsement.

ELECTIONS HAVE CONSEQUENCES! VOTE!
