

# Supervisor Survey Grades

## General Election – November 5, 2019

The names of candidates in **bold** signify incumbents running for reelection.

**If any of the candidates in your district have not responded to the survey, contact them and urge them to complete the VCDL survey and send it in. If they are afraid to take a public stand on these issues now, before the election, then they are unlikely to be very responsive to your views after the election.**

**There is absolutely NO reason why they should not answer this survey!**

Failure to return a completed survey frequently indicates indifference, if not outright hostility, toward the Right to Keep and Bear Arms.

Some things to keep in mind:

1. VCDL does not endorse candidates for public office. VCDL-PAC is a state level Political Action Committee (PAC) and does endorse candidates for state or local office.
2. No candidates were rated. To rate a candidate, one needs to factor in a lot of information, including, but not limited to the following:
  - how they answered the survey
  - their voting record (if any)
  - legal actions they've been involved in (if any)
  - their public statements (if any)
  - their private statements (if any)

3. The "grade" shown next to a candidate's name is **HOW THEY ANSWERED THE SURVEY**. Their survey response was graded and the grade (Very Pro-Gun, Pro-Gun, So-So, Anti-Gun, Very Anti-Gun) was displayed, as we have been doing for the last 10+ years. If no grade appears next to a candidate's name, then they did not return the survey or they sent a letter or email declining to answer the survey.
4. VCDL does not have a secret survey. We publish the survey questions, so the voters know the questions being asked of the candidates. The current General Assembly survey can be found at: [2019 Supervisor Candidate Survey](#)

Party Designators

This information is provided to educate the public on the candidates' position on key issues.

VCDL does not endorse candidates.
